### Joint Recital Wednesday In Little Theater

Miss Frances Robinson, violinist, and Miss Maurine Thompson, contralto, both of the Music department faculty, will present a joint recital Wednesday night at 8:15 in the Little Theater. Students and faculty are invited to attend free of charge.

Miss Robinson is repeating in part her graduate recital given this summer at the University of Kansas, for which she received favorable press notices from Dean Swarthout and other critics.

Miss Thompson gave a recital for summer session students this summer and is filling a number of oratorio engagements this season.

Miss Robinson will play the four movements of Handel's sonata in D major, a group of modern numbers, and Brahms' concerto in D major. Miss Thompson will sing three groups of songs, including Torrelli, Handel, Brahms, Strauss, Bizet, and Ravel compositions, and an adaptation of verses from St. Paul and Corinthians.

Joseph Running, a new member of the music faculty will accompany Miss Robinson; while Jean Long of San Jose will act as Miss Thompson's accompanist.

### Juniors Planning Class Ring Display In Spartan Shop

Class rings for juniors will be on display soon in the Spartan Shop, according to Mert Crockett, junior president.

Samples of the ring were shown to the council at its meeting last week by the ring committee, headed by Helen Matthews. The samples were those of the junior rings chosen for the past three years. All juniors are urged to see the rings before the next class meeting.

Jim Moore, junior bonfire chairman, announced to the council that plans for the bonfire rally are proceeding rapidly, but more volunteers are needed to guard it tomorrow and Wednesday nights.

The junior council has been appointed to serve as the prom committee. It announced that the date for the prom has been changed from February 22 to February 14.

### NAVAL LIEUTENANT SPEAKS WEDNESDAY

Lieutenant MacPherson of the United States Naval Air Corps of Oakland will address State students Wednesday, November 6, in the Morris Dailey auditorium from 11 to 12 noon, says Frank F. Petersen, instructor of mathematics and student flying.

The Lieutenant's talk which will aim to interest students in becoming future members of the air corps, will be supplemented with pictures, and he will answer any questions students might have after the lecture.

### Frosh-Soph Mixer

## LOWER CLASSMEN BURY HATCHET TONIGHT, 7:30

### Freddie Angel Provides Music For Get-Acquainted Stag Party

Two and one-half hours of gaiety and friendly rivalry will get under way at the traditional Frosh-Soph Mixer commencing at 7:30 tonight in the Men's gym.

Lower classmen will bury the hatchet and spend an evening of entertainment and dancing to the music of Freddie Angel's 11-piece orchestra. The affair is a stag event; it serves as a get-acquainted party for the freshmen, and promotes congeniality between the classes.

### NEW SINGER FOUND FOR CHEST SHOW

Tryouts last week for the Community Chest Jamboree, musical show to be presented Tuesday night, November 12, in the Morris Dailey auditorium, resulted in the discovery of Theodora Seacord, freshman music major, who will occupy a featured singing spot in this year's production.

"Miss Seacord, a graduate of San Jose high school, has one of the finest voices of any amateur we have heard," declare Len Baskin and Harvey Brooks, co-directors of this year's show.

COMEDIENNE CHOSEN  
Another "find" is Dorothy Mae Barr, sophomore Home Economics major from Santa Maria, who will be starred as comedienne with Len Baskin, according to Brooks.

Rehearsals for this year's musical extravaganza start today, and tickets for the production will go on sale sometime this week, Brooks announces. Three orchestras, to be announced later, will be featured in the show.

\$400 GOAL  
Quota for this year's annual college Community Chest drive has been set at \$360, announces Chairman Bill Van Vleck, who says the ultimate goal, however, will be \$400.

The musical jamboree November 12 will be the first in a series of events, the proceeds of which will be used to swell the campus Chest contributions.

Other shows in the drive include a boxing show to be given under the direction of DeWitt Portal and a dance sponsored by Nu Iota Chi, journalism fraternity.

### Card Distribution Starts Tomorrow

Permanent photographed student body cards will be distributed tomorrow and Wednesday morning from 9 to 5 o'clock, state Spartan Knights, who have been in charge of most of the work.

The men's honorary service fraternity compiled a complete list of members of the student body, arranged the identification pictures to go on the cards, and are now inserting cards in celluloid folders.

New cards are to be used by the student as long as he is in college.

### MILITARY MOTIF

Timely as the draft will be military decorations which will transform the gymnasium into a mock army camp. Refreshments, served during the evening will carry out this motif.

Carrying out the conscription theme, sophomores will register for the defense of the COP bonfire, and freshman men will be drafted into a pajama army which will participate in bonfire activities.

Registrars will be chosen from the most beautiful women of the two classes, according to Jerry Mathews, Social Affairs chairman of the sophomore class.

### PEP RALLY

A joint pep rally of the lower classmen will be held today in the Morris Dailey auditorium during which time tickets for the Mixer will be sold for 15 cents.

### Rooters' Tickets On Sale Friday

All student rooting section tickets for the COP-San Jose State college football game will go on sale to the general public on Friday, November 8, according to the Controller's office.

Tickets remaining are available to students upon presentation of student body cards. Both ticket and student body card will be necessary to gain entrance at the gate.

Men students who have tickets for section "J" are reminded by Tom Taylor, head yell leader, to wear rooters' caps. Women students in the rooting sections "I", "J", and "K" should have pom-poms which will go on sale in the Quad this week.

### Caravan Will Prelude Game Friday Night

Caravan of trucks, floats, and cars filled with local and COP rooters will parade through the main sections of town Friday afternoon following the arrival of San Jose State college's biggest rivals at Southern Pacific depot. COP rooters are expected to arrive at 6 p.m.

The parade will begin from Fourth and San Carlos streets when local students in cars and floats will drive to the station to meet the visitors.

Following the parade through town, visitors and local students will gather at some centrally located section in town possibly in front of the hotel of the visiting team, where a short rally will be held, according to Don True, Rally committee head.

Many cars will be needed, said True. Any student who has a car is asked to cooperate by using it in the parade. "Hop in COP" stickers for cars will be distributed to students next week. No costumes are required for the parade.

### Attorney Speaks To Pre-Legal Club At Noon Today

Harry Houser, trial lawyer, will speak to the Pre-Legal club today at 12:30 in Room 14, according to Harrett Mannina, newly-elected president of the group.

Attorney Houser is a graduate of Santa Clara law school and has been practicing law for the past twenty years. His talk will cover the opportunities offered in the practice of law and the problems encountered by those in the legal profession.

At the dinner meeting Tuesday when Mannina accepted the presidential post, other officers were elected. The new vice-president is William Spencer with Carl Noddin taking the office of secretary-treasurer.

Robert E. Hayes, member of the faculty of the University of Santa Clara law school spoke to the group on the personal side of the lawyers profession.

Anyone interested in attending Attorney Houser's talk is welcome, stated Mannina.

### SAN JOSE GIVES BIG SHOW

BY BENNIE FRIZZI

San Jose's Flying Spartans can come back to Southern California anytime they wish. At least that is the "okay" of 10,000 fans who watched the Spartans out-dazzle the Lions, 27 to 12, in Los Angeles' Gilmore Stadium Friday night.

The powerful running and surprising passing attack of Sparta had the big crowd filled with awe at the outset. And, when they blistered the pace in the second half and were met by an equally effective Loyola passing show, the fans were left limp with excitement and thrills.

After taking Loyola's opening kick-off and landing on their own 30, San Jose marched right down the field to the Loyola 16, where a field goal attempt by Kenny Cook was partially blocked.

After Minter returned Peck's punt to the Loyola 44, the Spartans were on the march again. Tornell hit for two and then reversed to Minter who broke away for 25 yards to the Loyola 13. Tornell and Nygren drove to the three yard line for a first down but four plays found San Jose spilled back on the 16.

### ALLEN CATCHES

But, San Jose came surging back for a third time and made this drive good, passes to Johnny Allen setting up and scoring the first San Jose touchdown.

Set back on their own 49 by a punt, Tornell threw to Allen on the first play, the gain good to the Loyola 10. Allen caught the ball on the 30.

Nygren made four as the first quarter ended and Hubbell was held for no gain on the 6. On the third play Hubbell threw a short flat pass to Allen, who caught the ball on the two and side-stepped two men to score standing up. Cook place-kicked the extra point with Minter holding.

Midway in the second quarter the Spartans scored again on a pass Hubbell to Nygren which was good for 56 yards. It was a short one in the right flat, Nygren (Continued on Page Four)

### Students Wanted For Experiment

Twelve or more students who have not taken any language courses are asked to take part in a series of experiments to be given by John Aguiar and Frank Chalfant, Language department instructors.

The experiments, consisting of six Spanish lessons, will be used to supply publicity and selling points to possible publishers of a new Spanish textbook now being prepared by the two language instructors.

Any students interested in participating in the experiments are asked to contact Mr. Aguiar in Room 25A as soon as possible.

**How To Run A Government . . .**

Tomorrow is an important day for every American citizen. Persons 21 years of age or over will be able to exercise a privilege that is given in few countries besides the United States. They will be able to vote for the persons they wish to lead their country.

With the world in such turmoil today, we should appreciate this privilege for which our ancestors fought for so many years. We are fortunate in steering clear of a dictator, and we will never have a dictator as long as we use our voting powers.

Several propositions will be on the ballot and should be studied before crosses are made after them. Most important item, however, will be the choice of a president. Arguments pro and con have been heard on the campus for several weeks in regard to the presidential election and political speeches, mixed with considerable mud-slinging, have flooded the ether waves.

Tomorrow those of us who are of voting age should take advantage of our coveted privilege and cast our votes for the one we believe would make the best leader. A lot of talking has been done, but unless we cast our votes all this will amount to naught.

After tomorrow we will have an idea, if we do not definitely know, who will be president of this country for the next four years. Regardless of who should be chosen, we should forget our pre-election squabbles and get behind the leader of the United States.

Tomorrow, VOTE.

After tomorrow, CO-OPERATE WITH WHOEVER IS CHOSEN. —Tallent.

**An Important Choice . . .**

The news of an alleged raid by San Jose students on the College of Pacific campus early last week has been met by an alarming repercussion of rumors of justifiable threats emanating from the administration.

Reliable sources say that in the event of maltreatment of the COP campus by members of this student body, "drastic measures will be taken". Listed as the first of these drastic measures will be the discontinuance of plans for the bonfire, scheduled as the rally highlight before the "little big game".

This alone should serve as sufficient warning to any students planning to molest the Stockton college. The planned bonfire, if held, will be the first in a decade, for up until this time the administration has been reluctant to sanction such an activity.

It has already been pointed out that an exchange of campus raids by COP and Spartan students may very easily lead to severing athletic relations between the two colleges—a disastrous situation both from a financial and sentimental standpoint. This annual gridiron classic has long been this college's chief source of football income, and the pre-game festivities have always given a great amount of stimulus to fall quarter activities.

This leaves us the choice of partaking in raids on COP and endangering relations between the college, or minding our own business and preserving everything the Tiger-Spartan football classic stands for.

Dear Thrust and Parry:

If an enemy should come, to put our campus on the "bum", some of the folks would be inclined towards "appeasement" (of a kind). That is, they'd offer him the chance to try out his "blitzkrieging" stance against a formidable list of campus pests, who'd ne'er be missed.

They'd feel assured his thirst for gore would be assuaged quite long before, with neat dispatch and grim aplomb, konk each "listee" with a bomb.

Appended here are just a few. Perhaps some will occur to you.

The noon-day lunching frails and chaps,  
Who o'er the lawn bestrew their scraps.

The lame-brained Luke, and nit-wit Nettie,  
Who of wast paper make confetti.

Perennial adolescent "tykes",  
Who scar the green-sward with their "bikes".

The "fag-hounds" who drive "Prexy" nuts,  
Be-fouling doorways with their "butts".

The loungers loit'ring in the halls,

The quite uncouth, uncultured scum,  
Who in drink-fountains park their gum.

Inter-Fraternity council meeting tonight at 8 o'clock at DTO house,

**Hayfoot, Strawfoot The Editors**

Dear Thrust and Parry:

When the editors' numbers are called in the draft, they will probably appreciate the band much more than the editorials seem to indicate.

Possibly, they have had no marching experience, and so do not realize the amount of work put in by the band each week. Inasmuch as the San Jose State band is one of the best marching units on the Pacific coast, and inasmuch as they have done a swell job of getting along with what they have, we do not see why there should be so much discussion over the very reasonable proposal of a two-tone marching unit.

Perhaps the editors do not realize the job that confronts the Music department as to direction of this organization. Since the band is part of the music major's course, it is up to the directors of it to see that as many as can quality get to join.

Maybe if the journalists and council members would follow the band directors around for a week or so, they would appreciate this organization more. After all, the band is not primarily a show piece, but is for the purpose of playing good music. But maybe the editors don't recognize good music when they hear it.

**Nothing Sacred**

**H**ALF THE BAND must have had a finger in this week's Music department contribution to Thrust and Parry; but though I had no brief for the 136 pussies-boots that rock our office on its foundations MWF from 3 o'clock on, I would hesitate a long time before accusing them of flat feet.

Pounding a beat from department to department in this school doesn't do the majority of our reporters any good either, and they often carry the weight of much unthinking criticism, heavier than the mightiest musical implement.

I have no quarrel with the department. It annoys the Psychology majors with its incessant nickel-plated babble but on the whole the group does the college an important service by representing it to favorable advantage on the battlefields of its own influence.

But to tantalize every student in the school with sly little predictions is cruel in the extreme. Until the directors of the unit handed us a silver platter with nothing on it and told us to watch the battle everything was attar of roses even in this office.

But imagine the Spartan Daily with a blank front page some morning and the single tiny item "Watch this space. Sometime next week or maybe the week after we're going to publish an amazing story, one that may shake the very foundation of this college. Be patient with our shortcomings until then; we think the story is pretty good and we expect you to think the same."

**Do You Know That**

. . . political history shows that because of the "solid South" the Democratic presidential candidate must poll at least 52 per cent of the popular vote in order to win the election?

. . . presidential candidate Hovey and his running mate Tilden once got a majority of the popular vote but were beaten by President Harrison who got the electoral vote? . . . President Wilson, who was a college president himself, once said that if getting out the vote were left to college professors there wouldn't be any vote. Evidently President Wilson was including the intellectuals who feel themselves above voting with the common rabble, even though they benefit the most from the advantage of a democracy.

. . . A hundred per cent majority in any one state gets the winning party no more electoral votes than a simple majority of votes?

. . . that blue cards and ballots will arrive the same day, November 5th?

## SOCCERMEN WIN 5-0

### Menlo Defeat Is Fourth Win Of Season For Macmen

BY WILBUR AGEE

Playing in a drizzling rain for the first quarter of the game, San Jose's soccer men scored another victory on their way toward the Northern California Intercollegiate conference championship Saturday morning by defeating Menlo Junior college by a score of 5-0 on the losers field.

San Jose took an early lead as in previous games and was never threatened by the Menlo squad. Smooth passing and heads up play kept the Menlo boys deep in their own territory most of the game.

Soon after the starting of the first quarter San Jose scored on a pass from Ernest Figone to Art Tindall, who booted the ball past the Menlo goalie. A few minutes later Ray Fahn scored on a pass from John Peebles, for the second tally of the quarter.

Midway in the second quarter the Spartans scored with Fahn putting the ball between the goal posts for the third goal. With only five minutes left in the half Frank Martella scored on an angle shot for San Jose's fourth tally.

The Spartans scored their fifth tally late in the third quarter when Frank Martella headed the ball in on a pass from Bill Gurnea. No scoring took place after this, and the fourth quarter saw a seesaw battle up and down the field.

Playing on wet field with a heavy ball did not stop Coach Hovey MacDonald's men as they continually out passed the Menlo squad. Top playing honors went to Captain Freddie Albright and Harvey White who displayed good dribbling and passing throughout the game.

Ernest Figone in the halfback position played good defensive ball and showed well on offensive thrusts as well. Roy Diedericksen and Phil Nell played good defense at the fullback spots keeping the Menlo team bottled up. Tony Nasimento, goalie for the soccer men, helped to keep the ball deep in Menlo's territory by good kicks and heads up playing. So far in four games only one goal has gotten through Nasimento this season.

The starting lineup was Nasimento at goalie, Diedericksen and Nell at fullbacks, Albright at center half, Figone and Ed Turner at halves, and Peebles, White, Tindall, Ray Fahn and Mert Crockett at the forward positions.

### GAME HIGHLIGHTS

San Jose's superiority was greater than the score indicates . . . Sparta found itself within the enemy 10 yard line several times, but yeoman work by the Lions held them off . . . freak play of the game: Sarkisian's extra point kick blocked, Minter picks it up, passes, Loyola man deflects ball, flops into Ramsey's arms, Ramsey runs three yards to score . . . Surprise of the game: San Jose's passing attack . . . Astonishment: to see Tornell and Wilson, the biggest men on the team, out in front of Minter all the way on Aubrey's 85 yard gallop.

Added features: Nygren's straight-arming of an enemy tackler on his 50 yard run . . . Hubbell's flying leap into the end zone from four yards out . . . the snappy Loyola band with its 4 year old majorette . . . not as classy as our Janie May but plenty cute . . . San Jose's control of the ball in first half, Loyola having it for only 8 running plays—the turnout of San Jose rooters, both present and past . . . after the game it looked like old home week around the Spartan dressing quarters.

San Jose's fullbacks, Truck Tornell above, and Dick Hubbell, were two important cogs in San Jose's decisive win over Loyola. Tornell and Hubbell not only did some nifty line plunging but also were on the throwing end of San Jose's surprising pass attack, which accounted for two of the Spartan scores. San Jose goes back to work today for their big game with C.O.P.

### MORASCI PASSES 50 YARDS TO ROBINSON FOR FIRST SCORE

San Jose State's gallant band of freshman football players lost a bitterly contested game Friday afternoon to a more experienced Moffett Field eleven, 25 to 14.

Playing against men who have had four years of college football and one season with an eastern professional football team the frosh were no match for the smooth working soldier team.

A tumbling and gymnastic team for competition in the CCAA Winter Sports carnival March 28 and 29 at San Jose is being organized by Coach Hovey McDonald.

McDonald will meet with candidates interested in the team tomorrow at 12 o'clock in the small gymnasium.

"If San Jose is to place any men in the stiff CCAA tournament, they must start working out immediately," McDonald emphasized.

The Spartans drew first blood when early in the first quarter George Morasci tossed a 50-yard pass to Vic Robinson who caught it in the end zone. Cliff Fran come converted to put the freshmen out in front, 7 to 0. Taking the next kickoff on their own 15, the Army eleven marched 75 yards on seven plays to score. "Chief" Zamora went over standing up. The conversion was blocked.

The Spartans received a break early in the second quarter when Don Thompsen recovered an Army fumble on their 26-yard line. On the next play Bob Gordan fumbled and the Army recovered. Forcing the Moffett team to kick the Spartans again drove into enemy territory. Morasci passed to Phil Brazil, putting the ball on the Army 29-yard line. On a fake pass Morasci ran it to the 19. With only seconds remaining in the first half Morasci passed over the goal line to Jack Sanders which fell incomplete.

Confident after holding the Moffett eleven in check throughout the first half, the yearlings started the second half anxious to score again.

Don Thompsen opened at full-back and on a series of straight power plays motored the frosh within Army territory twice, each time losing the ball on fumbles. Moffett Field late in the third quarter blocked one of Thompsen's punts and recovered on the San Jose 40-yard line. A 15-yard penalty for roughness put the ball on the San Jose 25. Larry Vonesh and Zamora alternated carrying the ball and drove to the Spartan five where Zambora fumbled and Vernon Cartwright recovered as the gun ended the third quarter.

On an exchange of punts Moffett Field gained the ball on the Spartan 35-yard line. Vonesh and Zamora carried it to the three where Zamora on a quarterback sneak scored. Brock missed the conversion and San Jose trailed, 12 to 7.

Five plays later Vonesh took the ball on an end run and ran the ball 30 yards for the third Army score. Again the try for point was missed and the score stood 18 to 7. Far from discouraged, the yearlings opened up with passes. Morasci passed to Brazil who lateraled to Robinson which was good for 30 yards. On the next play Morasci passed 47 yards to Robinson who caught it on the five and went to score standing up. Tony Duarte converted, putting the frosh back in the game, 18 to 14.

## SPARTANS SCORE TWICE ON PASSING ATTACK

catching on the 50 and outrunning a couple of Lions to score. Cook's place-kick for the extra point was blocked.

Rex Pursell started San Jose toward its third touchdown near the close of the third quarter, intercepting Peck's pass on the San Jose 49. Hubbell passed to Woffington, who made a beauty of a catch, for a first down on the Loyola 30.

Woffington added 6 and then Hubbell on some fancy dodging and side-stepping boomed his way for 24 yards over center and the touchdown.

Cook place-kicked the extra point with Woffington holding, to make the score 20 to 0.

ever, the drive boomeranged after two passes Tornell to Miller had set San Jose on the Loyola 10.

On a flat pass to the right, Grady, speedy Lion back, plucked Tornell's toss out of the air and raced 92 yards to the first Lion score.

But, the Spartans weren't to be outdone, and on the ensuing kick-off Tornell and Minter ganged up on a 90 yard return to touchdown. Tornell took the kick-off on the San Jose 10 and ran 5 yards before lateralling to Minter who scampered down the sidelines for 85 yards with no one touching him.

Sarkisian's place-kick was blocked, but Minter picked up the ball and passed to Ramsey for the 27th San Jose point.

Loyola scored their final six points with 4 minutes remaining in the game, an 18 yard toss, Peck to Toombs turning the trick.
